APPROVAL OF MINUTES

Chair Millburg called for a motion to approve the March 19, 2026 Regular Board Meeting. Director Arnold made the motion, Ald. Clark-Hubbard seconded. Roll was called, and the motion passed with six (6) Directors voting Aye [Director Arnold, Alderwoman Clark-Hubbard, Director Gilbert, Director McBride, Alderwoman Sonnier, Director Spencer] and two (2) directors abstaining [Director Koenig and Chair Millburg].

RESOLUTION No. 26-SLDC-1078 AUTHORIZING THE ADOPTION OF AN ANTI-DISCRIMINATION POLICY PERTAINING TO THE NEW MARKET TAX CREDIT PROGRAM [BILL SEDDON]

Mr. Bill Seddon explained that the prior exhibit attached to the resolution had been tabled because certain language could have negatively affected operations, so a revised, more narrowly tailored policy was developed specifically for the SLDC NMTC program. Director McBride asked for an overview of the new procedure and requirements. Mr. Seddon explained that borrowers receiving

NMTC financing will now be required to certify compliance with federal anti-discrimination standards through questionnaires, intake forms, term sheets, and loan closing documents. He emphasized that the policy would not significantly change how SLDC conducts business because the organization already complies with federal law, but that adopting the policy was necessary for investors and legal counsel to proceed with closings. Director Spencer asked how the new policies affect what SLDC may have already signed or approved to receive federal funding through community block grants, and who is monitoring compliance. Mr. Seddon clarified that the policy would apply going forward and would not affect prior allocations, although current projects, such as Atlas Iron Works, would still be encouraged to comply. He further explained that compliance oversight would involve SLDC staff, outside counsel, investor counsel, and closing attorneys, making the requirements a standard part of future due diligence and closing procedures.

Mr. Seddon also provided an update on upcoming NMTC opportunities, noting that the next allocation round is expected soon and will likely place greater emphasis on affordable housing projects. He referenced recent and potential partnerships with organizations such as Habitat for Humanity related to housing development in North St. Louis and tornado-impacted areas. He further noted that approximately $700 million in NMTC allocation capacity may be available regionally and discussed the possibility of a local NMTC summit to coordinate investment strategies among St. Louis-area CDEs and investors.

Following this discussion, Chair Millburg called for a motion to approve Resolution No. 26-SLDC-1078. Ald. Clark-Hubbard made the motion, and Director McBride seconded. Roll was called, and the motion passed with eight (8) directors voting Aye [Director Arnold, Ald. Clark-Hubbard, Director Gilbert, Director Koenig, Director McBride, Ald. Sonnier, Director Spencer, and Chair Millburg].

OPEN AGENDA / DIRECTOR'S REPORT

Pres. Stephen Westbrooks began by thanking the Board for its confidence and providing an overview of his early priorities and outreach efforts. He said that during his first several weeks, he met with a broad range of stakeholders, including elected officials, developers, funders, and SLDC staff, to better understand the organization's operations and strategic direction. He noted that he was encouraged by both the external support for SLDC and staff commitment. Mr. Westbrooks reaffirmed several key organizational priorities previously identified by former Executive Director Otis Williams, including restoring confidence in economic development processes, supporting tornado recovery, streamlining permitting, fully deploying ARPA funds, revitalizing commercial corridors and downtown, moving land bank properties back onto tax rolls, and updating zoning codes. He emphasized that ARPA implementation remains a major focus and that he is working with staff to develop one- and three-year strategic frameworks centered on clarity, accountability, coordination, and operational consistency. Board members praised Mr. Westbrooks' early leadership and engagement, and Ald. Sonnier encouraged SLDC to continue prioritizing prevailing wage compliance and accountability within incentive programs.

EXECUTIVE SESSION

Chair Millburg asked for a motion to move to Executive Session pursuant to Section 610.21(1) and (12). Director Gilbert made the motion, and Director McBride seconded. Roll was called, and the motion to move into executive session was approved with eight (8) Directors voting Aye [Director Arnold, Ald. Clark-Hubbard, Director Gilbert, Director Koenig, Director McBride, Ald. Sonnier, Director Spencer, and Chair Millburg]. The motion passed, and the Board moved into Executive Session at 8:27 am.

RETURN FROM EXECUTIVE SESSION

The Board returned from Executive Session at 9:15 am. Roll was called with eight (8) Directors present [Director Arnold, Ald. Clark-Hubbard, Director Gilbert, Director Koenig, Director McBride, Ald. Sonnier, Director Spencer, and Chair Millburg].

ADJOURNMENT

RESOLUTION NO. 26-SLDC-1080
PRESENTED TO THE BOARD – MAY 21, 2026

TO: BOARD OF DIRECTORS OF ST. LOUIS DEVELOPMENT CORPORATION AND STEPHEN WESTBROOKS, PRESIDENT & CEO

FROM: STEPHANIE GRISE, EXECUTIVE VICE PRESIDENT & CHIEF OPERATING OFFICER

RE: AUTHORIZING EXECUTION OF AN AMENDMENT TO PROFESSIONAL SERVICES CONTRACT WITH INTERBORO PARTNERS LLC FOR PLANNING AND DESIGN SERVICES RELATED TO THE PROJECT CONNECT OUR PLAN NEIGHBORHOOD PLANNING INITIATIVE

EXECUTIVE SUMMARY:

This Resolution authorizes the execution of an amendment to the agreement between St. Louis Development Corporation ("SLDC") and Interboro Partners, LLC ("Interboro") related to the Project Connect planning area to extend the time of performance and increase the amount of the contract by a value not to exceed $30,000 for work beyond the original scope of services. This amendment supersedes the amendment approved by Resolution 26-SLDC-1074 adopted by the Board of Directors on March 19, 2026.

BACKGROUND:

In April, 2024, SLDC entered into a contract with Interboro for planning services in the Project Connect area, encompassing six (6) neighborhoods in the City of St. Louis, to create implementable plans to guide housing, economic development, land use, and investment. Work includes coordination with SLDC, City departments including the Planning and Urban Design agency, extensive engagement with Neighborhood Planning Committees and stakeholders, updating existing conditions and market analysis, neighborhood plan development, and creation of zoning and redevelopment tools. The contract was anticipated to conclude in April, 2025, however some tasks experienced delays which requiring additional meetings and effort to maintain project momentum. The team is moving toward the public review period in April or May of 2026.

During the project, the consultant team performed work beyond the original scope, including extra project coordination meetings, expanded community engagement, and additional time to address schedule delays. Based on feedback from other external stakeholders, it was determined that additional content may need to be incorporated into the plan. And it was determined that the available source of funds was misindentified in the prior resolution.

Staff request the Board formalize and ratify the additional work, and authorize an amendment to the contract to 1) extend the time of performance through July, 2026 to accommodate public review, and 2) increase the contract value by an amount not to exceed $30,000 and modify the scope of work to include the additional coordination and engagement provided by Interboro. This amendment supersedes the amendment approved by Resolution 26-SLDC-1074 adopted by the Board of Directors on March 19, 2026.

RESOLUTION NO. 26-SLDC-1082
PRESENTED TO THE BOARD – MAY 21, 2026

FROM: CHARLIE HAHN, SENIOR VICE PRESIDENT CHIEF FINANCIAL OFFICER

RE: APPROVING AN ANNUAL ADMINISTRATIVE BUDGET FOR FISCAL YEAR 2027 (FY 27) COVERING THE PERIOD JULY 1, 2026 THROUGH JUNE 30, 2027

EXECUTIVE SUMMARY:

This Resolution approves the St. Louis Development Corporation Administrative Budget for the period July 1, 2026 through June 30, 2027. The Administrative Budget is attached hereto as Exhibit A and totals $14,027,000. The FY 27 budget is approximately 4.2% lower than the FY 26 budget.

BACKGROUND:

St. Louis Development Corporation (SLDC) was formed to provide administrative services for various City development agencies, including the Planned Industrial Expansion Authority, the Industrial Development Authority, the Land Clearance for Redevelopment Authority, the Land Reutilization Authority, the City of St. Louis Port Authority, and The St. Louis Local Development Company. SLDC also administers various directly funded programs such as New Market Tax Credits (NMTC), Environmental Protection Agency (EPA) and the American Rescue Plan (ARPA).

RESOLUTION NO. 26-SLDC-1083
PRESENTED TO THE BOARD – MAY 21, 2026

TO: BOARD OF DIRECTORS OF ST. LOUIS DEVELOPMENT CORPORATION AND STEPHEN WESTBROOKS, PRESIDENT & CEO

FROM: STEPHANIE GRISE, EXECUTIVE VICE PRESIDENT & CHIEF OPERATING OFFICER

RE: AUTHORIZING EXECUTION OF AN AGREEMENT WITH THE HEADCOUNT, INC. FOR LABOR COMPLIANCE SERVICES

EXECUTIVE SUMMARY:

This Resolution authorizes the execution of an agreement between St. Louis Development Corporation ("SLDC") and The HeadCount, Inc. ("The Headcount") to provide SLDC with short-term labor compliance services up to an amount not to exceed $20,000.00.

BACKGROUND:

SLDC has been tasked by various ordinances with implementing the City's M/WBE program and monitoring compliance with workforce utilization goals and prevailing wage requirements on City and tax-incentivized construction projects. SLDC has a contract with The Headcount for its Headcount system for workforce and prevailing wage monitoring. The Headcount contract was renewed in March 2026.

The City of St. Louis is currently reviewing its race- and gender-conscious M/WBE and workforce utilization programs, with the anticipated goal of adopting new ordinances implementing recommendations contained in the City's 2024 contract and workforce disparity studies.

During this review period, the M/WBE compliance team wishes to increase its short-term capacity to perform labor compliance review, including monitoring and enforcing prevailing wage obligations pursuant to Ordinance 71094 and 71962. It is expected that one full-time equivalent labor compliance clerk would review key compliance documents provided by participating firms; review certified payroll reports, wage rates, and fringe benefits for accuracy to ensure adherence to applicable rules and regulations; analyze project requirements to ensure employees are correctly classified and paid the appropriate wage rate; and collaborate with SLDC teams, subcontractors, and unions to ensure proper documentation and reporting standards. This engagement will also address some broader development industry feedback about payroll and prevailing wage processing times. Performance against the proposal will be monitored by SLDC leadership to ensure quality, responsiveness, and relationship management.

Staff recommends SLDC enter into a contract for The Headcount to perform approximately four months of labor compliance services to SLDC while the City's review of relevant legislation remains ongoing. The term allows flexibility to revise the contract needs once the City's legislation is adopted.

The cost of labor compliance services to be performed by The Headcount is not expected to exceed $20,000.00, and the full scope of services is outlined on **EXHIBIT A**.

SLDC's procurement policy authorizes noncompetitively negotiated contracts in circumstances where (1) continuity of service must be maintained, (2) prior or specialized knowledge and experience would make other considerations unfeasible and/or economical, or (3) the need for the work is of such urgency that a competitive selection cannot be conducted and the needs of SLDC still met. Here, given the uncertainty of future monitoring and compliance directives, staff recommend a sole-source engagement with The Headcount to ensure continuity of service with the existing requirements.

FUNDING SOURCE: SLDC Agency Funds.

REQUESTED ACTION: Approval of this Resolution 26-SLDC-1083.

ATTACHMENTS: EXHIBIT A: Scope of Services for labor compliance services.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF ST. LOUIS DEVELOPMENT CORPORATION THAT:

1. The Board of Directors of St. Louis Development Corporation (SLDC) hereby approves this Resolution, waives the monetary cap for sole source procurements for this procurement only, and authorizes the President & CEO to negotiate an agreement with The HeadCount, Inc. for services consistent with this Resolution and expend an amount not to exceed $20,000.00.

2. The President & CEO of SLDC and/or his authorized designee is hereby authorized, on behalf of SLDC, to take any action and execute any instruments, documents, or affidavits to effectuate the intent of this Resolution.

3. The final form of any agreement consistent with this Resolution may be approved by the President & CEO, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by SLDC.

4. This Resolution shall be effective upon its approval by the Board of Directors of St. Louis Development Corporation.

ADOPTED this 21st Day of May 2026.
