

AGENDA
LAND CLEARANCE FOR REDEVELOPMENT AUTHORITY
OF THE CITY OF ST. LOUIS

SPECIAL MEETING – REGULAR SESSION
1520 MARKET STREET – SUITE 2000
VIA ZOOM AND VIA TELEPHONE
Wednesday, June 17, 2026 at 3:30pm

This meeting will be conducted electronically.

In order to ensure all Commissioners and the public are able to connect successfully, we recommend that you call or join via Zoom (for video) starting at 3:15pm to allow time to troubleshoot any connection issues. The host will open the phone lines and initiate the Zoom meeting at that time. Should you have a problem accessing the meeting, please call (314) 657-3749 for assistance.

The public will be able to access the meeting in two ways:

1. Please click the link below to join the webinar:
<https://us02web.zoom.us/j/83593997289?pwd=ZmF5bXRUOVNQRFZpYlo2VjJ6UT09>
Passcode: 878470
Or One tap mobile :
+13126266799,,83593997289# US (Chicago) +16469313860,,83593997289# US
2. Or Telephone:
Dial(for higher quality, dial a number based on your current location):
US: +1 312 626 6799 or +1 646 931 3860 or +1 929 205 6099 or +1 301 715 8592
or +1 253 215 8782 or +1 346 248 7799
Webinar ID: 835 9399 7289

People who need accommodations relating to accessibility should contact Myisa Sykes at sykesm@stlouis-mo.gov or by phone at (314) 657-3749 or (314) 589-6000 (TTY). Prior notice of two business days is recommended for accommodation requests.

1. **CALL TO ORDER**
2. **APPROVAL OF MINUTES** Minutes Deferred

The Official Agenda was posted on the bulletin board on the first-floor lobby of 1520 Market Street June 16, 2026 prior to 3:30pm and items may be withdrawn or modified during the public meeting at the discretion of the Board.

3. **MERAMEC ST./S. COMPTON AVE./BATES ST./S. GRAND BLVD. REDEVELOPMENT AREA**
(Alderman Shane Cohn/3rd Ward)

**RESOLUTION NO. 26-LCRA-11011
PRESENTED TO THE BOARD JUNE 17, 2026**

TO: LCRA BOARD OF COMMISSIONERS
STEPHEN WESTBROOKS, EXECUTIVE DIRECTOR

FROM: PETER PHILLIPS - VP - LAND ASSEMBLAGE & REDEVELOPMENT

RE: RESOLUTION AUTHORIZING A GENERAL CONTRACTOR SERVICES
AGREEMENT FOR CONSTRUCTION WORK AT 4352 LOUISIANA, THE FORMER
CLEVELAND HIGH SCHOOL

EXECUTIVE SUMMARY:

This Resolution authorizes LCRA to enter into an agreement with Pro Build Demolition Experts, LLC (“Pro Build”) for general contracting services at 4352 Louisiana, otherwise known as Cleveland High School. Following the public Request for Bids (RFB) authorized by the Board in Resolution 26-LCRA-10993, Pro Build was determined to be the lowest responsive, responsible bidder. The total contract amount shall not exceed \$2,728,500.00.

These services will advance site preparation activities necessary for future redevelopment of the site by completing stabilization of the main school building including roof repair/replacement, gutter repair/replacement, interior debris removal, exterior board-up and weather proofing, and structural repairs. Funds are available through the LCRA Proactive Development & Site Assembly Fund (23-SLFRF-43).

BACKGROUND:

In February 2026, the Land Clearance for Redevelopment Authority of the City of St. Louis (“LCRA”) completed the acquisition of the property known as the closed Cleveland High School, located at 4352 Louisiana, 4352 Grand Ave, and 3451 Bingham Ave. (“Cleveland High School”). These parcels include the main school building, an attached ancillary gymnasium, and a former track and field lot. The structures on these parcels are in a state of disrepair and require stabilization and interior and exterior improvements to keep the property from complete structural failure and to best position the site for future redevelopment.

On March 24, 2026, the Board approved Resolution 26-LCRA-10993, authorizing LCRA staff to publicly solicit bids for stabilization and predevelopment services at this project site. Following issuance of the RFB for general contracting services for the stabilization of the main building, an internal selection committee was convened to review and evaluate three complete responses received. The internal selection committee recommended entering into a contract with Pro Build as the lowest responsive, responsible bidder for a not-to-exceed amount of \$2,728,500.00, per their bid submission. The recommendation was then presented to the Substantial Awards Committee which approved the procurement.

This resolution authorizes the negotiation and execution of an agreement with Pro Build for the requested general contracting services at Cleveland High School in an amount not to exceed \$2,728,500.00. This resolution further authorizes a contingency of 5%, which is \$136,425.00 to cover any minor change orders, subject to CDA’s approval and confirmation that funds are available in 23-SLFRF-43, Execution of this agreement will allow LCRA to commence with the improvement of the school building that is in a state of disrepair impeding future redevelopment. Without this scope of work, the building will continue to degrade due to water and weather intrusion that will corrode the structural integrity, leading to collapse.

REQUESTED ACTION:

Approval of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THIS LAND CLEARANCE FOR REDEVELOPMENT AUTHORITY OF THE CITY OF ST. LOUIS THAT:

1. The Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis hereby approves this Resolution and authorizes entering into an agreement with Pro Build Demolition Experts, LLC. for general contracting services at Cleveland High School in an amount not to exceed \$2,728,500.00. This resolution further authorizes a contingency of \$136,425.00 to cover any minor change orders, subject to CDA's approval and confirmation that funds are available in 23-SLFRF-43,
2. The final form of any agreement between LCRA and Pro Build Demolition Experts, LLC. consistent with this Resolution may be approved by the Executive Director, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by the Authority.
3. The actions of the Executive Director, his designee(s), officials, agents, and employees of LCRA heretofore taken in connection with the transaction contemplated by this Resolution are hereby ratified and confirmed, and the Executive Director, his designee(s), such officials, agents, and employees are hereby authorized to take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution.
4. This Resolution shall take effect and be in full force immediately after its passage and approval by the governing body of LCRA.

ADOPTED this 17th day of June, 2026.

**RESOLUTION NO. 26-LCRA-11012
PRESENTED TO THE BOARD JUNE 17, 2026**

TO: LCRA BOARD OF COMMISSIONERS
STEPHEN WESTBROOKS, EXECUTIVE DIRECTOR

FROM: PETER PHILLIPS - VP - LAND ASSEMBLAGE & REDEVELOPMENT

RE: RESOLUTION AUTHORIZING A DEMOLITION CONTRACTOR SERVICES
AGREEMENT FOR SELECTIVE DEMOLITION WORK AT 4352 LOUISIANA AND
3451 BINGHAM, THE FORMER CLEVELAND HIGH SCHOOL

EXECUTIVE SUMMARY:

This Resolution authorizes LCRA to enter into an agreement with EJ Spirtas Group LLC d/b/a Spirtas Worldwide (“Spirtas Worldwide”) for selective demolition services at 4352 Louisiana and 3451 Bingham, otherwise known as “Cleveland High School”. Following the public Request for Bids (RFB) authorized by the Board in Resolution 26-LCRA-10993, Spirtas Worldwide was determined to be the lowest responsive, responsible bidder. The total contract amount shall not exceed \$362,735.00.

These services will advance site preparation activities necessary for future redevelopment of the site through selective demolition of three ancillary buildings, including a standalone gymnasium. These structures are in poor condition and do not serve as contributing factors to the historic nature of the main structure. Funds are available through the LCRA Proactive Development & Site Assembly Fund (23-SLFRF-43).

BACKGROUND:

In February 2026, the Land Clearance for Redevelopment Authority of the City of St. Louis (“LCRA”) completed the acquisition of the property known as the closed Cleveland High School, located at 4352 Louisiana, 4352 Grand Ave, and 3451 Bingham Ave. These parcels include the main school building, an attached ancillary gymnasium, and a former track and field lot. The structures on these parcels are in a state of disrepair and require stabilization and interior and exterior improvements to keep the property from complete structural failure and to best position the site for future redevelopment.

On March 24, 2026, the Board approved Resolution 26-LCRA-10993, authorizing LCRA staff to publicly solicit bids for stabilization and predevelopment services at this project site. Following issuance of the RFB for selective demolition services for the demolition of the ancillary gymnasium building and two additions connected to the main school building, an internal selection committee was convened to review and evaluate the 4 responses received. The internal selection committee recommended entering into a contract with Spirtas Worldwide as the lowest responsive, responsible bidder for a not-to-exceed amount of \$362,735.00, per their bid submission. The recommendation was then presented to the Substantial Awards Committee which approved the procurement.

This resolution authorizes negotiation and execution of an agreement with Spirtas Worldwide for the requested demolition services in an amount not to exceed \$362,735.00. Execution of this agreement will allow LCRA to commence with the improvement of the parcels by removing an obsolete gymnasium building in major disrepair, as well as two additions to the main structure that are difficult to repurpose in their current layout and integrity. This makes way for a higher and better use of that space to compliment future redevelopment of

the main school building. Stabilization of the main building was solicited and will be contracted separately from this agreement.

REQUESTED ACTION:

Approval of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THIS LAND CLEARANCE FOR REDEVELOPMENT AUTHORITY OF THE CITY OF ST. LOUIS THAT:

1. The Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis hereby approves this Resolution and authorizes entering into an agreement with EJ Spirtas Group LLC d/b/a Spirtas Worldwide for demolition services at 4352 Louisiana and 3451 Bingham in an amount not to exceed \$362,735.00.
2. The final form of any agreement between LCRA and Spirtas Worldwide consistent with this Resolution may be approved by the Executive Director, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by the Authority.
3. The actions of the Executive Director, his designee(s), officials, agents, and employees of LCRA heretofore taken in connection with the transaction contemplated by this Resolution are hereby ratified and confirmed, and the Executive Director, his designee(s), such officials, agents, and employees are hereby authorized to take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution.
4. This Resolution shall take effect and be in full force immediately after its passage and approval by the governing body of LCRA.

ADOPTED this 17th day of June, 2026.

PRESENTED TO THE BOARD JUNE 17, 2026**

TO: LCRA BOARD OF COMMISSIONERS
STEPHEN WESTBROOKS, EXECUTIVE DIRECTOR

FROM: PETER PHILLIPS - VP - LAND ASSEMBLAGE & REDEVELOPMENT

RE: RESOLUTION AUTHORIZING A GENERAL CONTRACTOR SERVICES
AGREEMENT FOR CONSTRUCTION WORK AT 4322 ALDINE, THE FORMER
MARSHALL SCHOOL

EXECUTIVE SUMMARY:

This Resolution authorizes LCRA to enter into an agreement with VIP Construction Group, LLC for general contracting services at 4322 Aldine Ave. Following the public Request for Bids (RFB) authorized by the Board in Resolution 26-LCRA-10994, VIP Construction Group, LLC was determined to be the lowest responsive, responsible bidder. The total contract amount shall not exceed \$998,050.00.

These services will advance site preparation activities necessary for future redevelopment of the site by completing stabilization of the main school building, including roof repair/replacement, gutter repair/replacement, interior debris removal, exterior board-up and weather proofing, and tree/vegetation removal. Funds are available through the LCRA Proactive Development & Site Assembly Fund (23-SLFRF-43).

BACKGROUND:

In February 2026, the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") completed the acquisition of the property known as the closed Marshall School, located at 4322 Aldine, 4319 and 4333 Dr. Martin Luther King Dr. ("Marshall School"). These parcels include the main school building, an ancillary one-story classroom building, and a parking lot. The structures on these parcels are in a state of disrepair and require stabilization and interior and exterior improvements to keep the property from complete structural failure and to best position the site for future redevelopment.

On March 24, 2026, the Board approved Resolution 26-LCRA-10994, authorizing LCRA staff to publicly solicit bids for stabilization and predevelopment services at this project site. Following issuance of the RFB for general contracting services for the stabilization of the main building, an internal selection committee was convened to review and evaluate the four responses. The internal selection committee recommended entering into contract with VIP Construction Group, LLC as the lowest responsive, responsible bidder for a not-to-exceed amount of \$998,050.00, per their bid submission. The recommendation was then presented to the Substantial Awards Committee which approved the procurement.

This resolution authorizes the negotiation and execution of an agreement with VIP Construction Group, LLC for the requested general contracting services at Marshall School in an amount not to exceed \$998,050.00. This resolution further authorizes a contingency of 5%, which is \$49,902.50 to cover any minor change orders, subject to CDA's approval and confirmation that funds are available in 23-SLFRF-43. Execution of this agreement will allow LCRA to commence with the improvement of the school building that is in a state of disrepair impeding future redevelopment. Without this scope of work, the building will continue to degrade due to water and weather intrusion that will corrode the structural integrity leading to collapse.

REQUESTED ACTION:

Approval of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THIS LAND CLEARANCE FOR REDEVELOPMENT AUTHORITY OF THE CITY OF ST. LOUIS THAT:

1. The Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis hereby approves this Resolution and authorizes entering into an agreement with VIP Construction Group, LLC for general contracting services at 4322 Aldine Ave. in an amount not to exceed \$998,050.00. This resolution further authorizes a contingency amount up to \$49,902.50 to cover any minor change orders, subject to CDA's approval and confirmation that funds are available in 23-SLFRF-43.
2. The final form of any agreement between LCRA and VIP Construction Group, LLC. consistent with this Resolution may be approved by the Executive Director, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by the Authority.
3. The actions of the Executive Director, his designee(s), officials, agents, and employees of LCRA heretofore taken in connection with the transaction contemplated by this Resolution are hereby ratified and confirmed, and the Executive Director, his designee(s), such officials, agents, and employees are hereby authorized to take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution.
4. This Resolution shall take effect and be in full force immediately after its passage and approval by the governing body of LCRA.

ADOPTED this 17th day of June, 2026.

PRESENTED TO THE BOARD JUNE 17, 2026**

TO: LCRA BOARD OF COMMISSIONERS
STEPHEN WESTBROOKS, EXECUTIVE DIRECTOR

FROM: PETER PHILLIPS - VP - LAND ASSEMBLAGE & REDEVELOPMENT

RE: RESOLUTION AUTHORIZING A DEMOLITION CONTRACTOR SERVICES
AGREEMENT FOR SELECTIVE DEMOLITION WORK AT 4322 ALDINE, THE
FORMER MARSHALL SCHOOL

EXECUTIVE SUMMARY:

This Resolution authorizes LCRA to enter into an agreement with Making America Better, Inc. (MAB) for demolition services at 4322 Aldine Ave. Following the public Request for Bids (RFB) authorized by the Board in Resolution 26-LCRA-10994, MAB was determined to be the lowest responsive, responsible bidder. The total contract amount shall not exceed \$165,318.00.

These services will advance site preparation activities necessary for future redevelopment of the site by removing an obsolete and non-contributing structure. Funds are available through the LCRA Proactive Development & Site Assembly Fund (23-SLFRF-43).

BACKGROUND:

In February 2026, the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") completed the acquisition of the property known as the closed Marshall School, located at 4322 Aldine, 4319 and 4333 Dr. Martin Luther King Dr. These parcels include the main school building, an ancillary one-story classroom building, and a parking lot. The structures on these parcels are in a state of disrepair and require stabilization and interior and exterior improvements to keep the property from complete structural failure and to best position the site for future redevelopment.

On March 24, 2026, the Board approved Resolution 26-LCRA-10994, authorizing LCRA staff to publicly solicit bids for stabilization and predevelopment services at this project site. Following issuance of the RFB for demolition services of the single-story ancillary building, an internal selection committee was convened to review and evaluate the seven responses received. The internal selection committee recommended entering into contract with MAB as the lowest responsive, responsible bidder. The requested authorization is to enter into negotiations and ultimately a service agreement for the requested demolition services with MAB for a not-to-exceed amount of \$165,318.00, per their bid submission.

Execution of this agreement will allow LCRA to commence with the improvement of the parcel by removing an obsolete building that serves no purpose in future redevelopment. This makes way for a higher and better use of that space to compliment future redevelopment of the main school building. Stabilization of the main building was solicited and will be contracted separately from this agreement.

REQUESTED ACTION:

Approval of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THIS LAND CLEARANCE FOR REDEVELOPMENT AUTHORITY OF THE CITY OF ST. LOUIS THAT:

1. The Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis hereby approves this Resolution and authorizes entering into an agreement with Making America Better, Inc. for demolition services at 4322 Aldine Ave. in an amount not to exceed \$165,318.00.
2. The final form of any agreement between LCRA and Making America Better, Inc. consistent with this Resolution may be approved by the Executive Director, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by the Authority.
3. The actions of the Executive Director, his designee(s), officials, agents, and employees of LCRA heretofore taken in connection with the transaction contemplated by this Resolution are hereby ratified and confirmed, and the Executive Director, his designee(s), such officials, agents, and employees are hereby authorized to take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution.
4. This Resolution shall take effect and be in full force immediately after its passage and approval by the governing body of LCRA.

PRESENTED TO THE BOARD JUNE 17, 2026**

TO: LCRA BOARD OF COMMISSIONERS
STEPHEN WESTBROOKS, EXECUTIVE DIRECTOR

FROM: TIMOTHY MULLIGAN – CONSTRUCTION & FACILITIES MANAGER

RE: RESOLUTION AUTHORIZING A GENERAL CONTRACTOR SERVICES
AGREEMENT FOR CONSTRUCTION WORK AT 3940 DR. MARTIN LUTHER KING
DRIVE, ALSO KNOW AS THE MONARCH ON MLK
(ALDERWOMAN SHARON TYUS/12th WARD)

EXECUTIVE SUMMARY:

This Resolution authorizes and approves a contract with AME Construction LLC, dba A. Eilers Construction for General Contracting Services at 3940 Dr. Martin Luther King Drive, known as the “Monarch,” for a total amount not to exceed \$6,358,905.00 (base bid \$5,780,822.00 + 10% contingency). The construction will transform the long vacant and semi-obsolete industrial space into a tenant-ready industrial space and a facility for the LRA Operations Department. The contractor has agreed to perform their work in a 90-day period.

BACKGROUND:

LCRA closed on its acquisition of the vacant, former manufacturing facility at 3940 Dr. Martin Luther King Drive in St. Louis, MO in October of 2023 (the “Monarch”). LCRA plans to stabilize and transform the approximately 150,000-square-foot industrial building that is situated on 8 acres into office, manufacturing, and otherwise multi-use commercial space. This resolution authorizes general construction work for the stabilization and initial transformation of multiple buildings on the property.

The intended end-users of this site include 12,000+ square feet of space to be occupied by LRA Field Crew and a food manufacturer tenant for 22,143 square feet of space in Building 15/18. This project involves demolition of Building 16 and renovations to Buildings 13/14, 15/18 and 17. Renovations include roofing, new metal wall panels, tuckpointing, new water and gas services for the one-story buildings and office/shop space for LRA Field Crew (Bldg. 17). The larger metal building (Bldg 15/18) and smaller brick building (Bldg 14) will be tenant ready. The fencing will be upgraded and center parking lot will be enhanced with landscaping and concrete walkways to entries.

Following issuance of a Request for Bids by LCRA, an internal selection committee was convened to review and evaluate the four responsive bids received. The internal selection committee recommended entering into contract with AME Construction LLC d/b/a A. Eilers Construction as the lowest responsive, responsible bidder for a not-to-exceed amount of \$6,358,905.00 (base bid \$5,780,822.00 + 10% contingency). The recommendation was then presented to the Substantial Awards Committee which approved the procurement.

This resolution authorizes the negotiation and execution of an agreement with AME Construction LLC d/b/a A. Eilers Construction for the requested general contracting services at the Monarch in an amount not to exceed \$6,358,905.00. Funds are available for this work from the Monarch Acquisition, Development, and Program Operations fund (21-SLFRF-40), the LCRA Proactive Development & Site Assembly fund (23-SLFRF-43), and an appropriation from the City's Use Tax fund.

REQUESTED ACTION:

Approval of this Resolution 26-LCRA-11015.

NOW, THEREFORE, be it resolved by the Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis as follows:

1. The Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis hereby approves this Resolution and authorizes approval of a contract with AME Construction LLC dba A. Eilers Construction for an amount not to exceed \$6,358,905.00 (Bid \$5,780,822 + Contingency \$578,082) for Construction Services at 3940 Dr. Martin Luther King Drive.
2. The final form of any agreement between LCRA and AME Construction LLC dba A. Eilers Construction consistent with this Resolution may be approved by the Executive Director, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by the Authority.
3. The actions of the Executive Director, his designee(s), officials, agents and employees of LCRA heretofore taken in connection with the transaction contemplated by this Resolution are hereby ratified and confirmed, and the Executive Director, his designee(s), such officials, agents and employees are hereby authorized to take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution, and to carry out, comply with and perform the duties of LCRA with respect to the transaction.
- 4.. This Resolution shall take effect and be in full force immediately after its passage and approval by the governing body of LCRA.

ADOPTED this 17th day of June 2026.

RE: RESOLUTION AUTHORIZING AN ELECTRICAL CONTRACTOR SERVICES
AGREEMENT FOR EMERGENCY WORK REQUIRED TO RESTORE POWER AT
3940 DR. MARTIN LUTHER KING DRIVE, ALSO KNOW AS THE MONARCH ON
MLK
(ALDERWOMAN SHARON TYUS/12th WARD)

EXECUTIVE SUMMARY:

This Resolution authorizes and approves a contract with RJP Electric at 3940 Dr. Martin Luther King Drive (the “Monarch”) for emergency electrical services in the amount of \$48,860. Funds are available for this contract from the Monarch Acquisition, Development, and Program Operations Fund (21-SLFRF-40)..

BACKGROUND:

In May 2026, staff was notified that electricity went out in the in the main building on the Monarch campus. Ameren linemen determined the power outage was caused by the cutting and theft of the 480-volt electric service cables from utility pole to the Monarch electric entrance. Now, electrical service work is urgently needed to restore power to the building.

RJP Electric regularly provides electrical services for City buildings. RJP Electric provided a proposal to staff complete the needed electrical work at the Monarch for \$48,860. They are able to coordinate the repair work with Ameren and work quickly to restore power to the site. Accordingly, this resolution authorizes a contract with RJP Electric for emergency electrical services at the Monarch.

REQUESTED ACTION:

Approval of this Resolution 26-LCRA-11016.

NOW, THEREFORE, be it resolved by the Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis as follows:

1. The Board of Commissioners of the Land Clearance for Redevelopment Authority of the City of St. Louis hereby approves this Resolution and authorizes approval of a contract with RJP Electric

for an amount not to exceed \$48,860.00 for Emergency Electrical Services at 3940 Dr. Martin Luther King Drive.

2. The final form of any agreement between LCRA and RJP Electric consistent with this Resolution may be approved by the Executive Director, and his signature, whether manual or facsimile, shall be conclusive evidence of approval by the Authority.
3. The actions of the Executive Director, his designee(s), officials, agents and employees of LCRA heretofore taken in connection with the transaction contemplated by this Resolution are hereby ratified and confirmed, and the Executive Director, his designee(s), such officials, agents and employees are hereby authorized to take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution, and to carry out, comply with and perform the duties of LCRA with respect to the transaction.
4. This Resolution shall take effect and be in full force immediately after its passage and approval by the governing body of LCRA.
