Re: Board of Estimate and Apportionment, Requests for May 20, 2026 Meeting

The Honorable Cara Spencer
Mayor of the City of St. Louis;
The Honorable Megan E. Green
President, City of St. Louis Board of Aldermen;
The Honorable Donna M.C. Baringer
Comptroller of the City of St. Louis;

Please accept this packet sent on behalf of the St. Louis Board of Police Commissioners (the "BOPC") in reference to a series of Requests by the BOPC to the Board of Estimate and Apportionment (the "Board") for consideration at the Board's May 20, 2026 meeting. As you know, the St. Louis Metropolitan Police Department's (the "Police Department") 2026 Fiscal Year Budget (the "2026 Budget") was approved by the City of St. Louis (the "City") prior to the BOPC establishing its governance and SLMPD operations. SLMPD staff have worked diligently over the last several weeks to reconcile the end of fiscal year accounts in order to identify available and unspent funds. At the April 29, 2026 BOPC meeting, via resolution 2026-19, the BOPC authorized the attached Budgetary Transfer Requests be submitted to the Board. See **Exhibit 1**, copy of which is incorporated herein by reference (Bates Label 01-10). Following BOPC approval of resolution 2026-19, budgetary account number corrections and scrivener's errors were made, pursuant to the authorization given in resolution 2026-19, including:

- Paragraph 4, delete reference to Fund 1000, Cost Center 650000, Account 552500 Program 1472.
- Paragraphs 11 – 18, change Program 0000 to Program 1484.

BOARD OF POLICE COMMISSIONERS

BOARD OF POLICE COMMISSIONERS

GENERAL COUNSEL

1915 OLIVE STREET

ST. LOUIS, MISSOURI 63103

- Paragraph 28, change amount from \$14,314.02 to \$14,314.00.
- Paragraph 31, change amount from \$13,474.83 to \$5,474.00.
- Paragraph 32, change amount from \$18,487.00 to \$13,487.00.
- Paragraph 35, change amount from \$11,787.80 to \$11,787.00.
- Paragraph 46, delete entire paragraph.
- Paragraph 51, delete entire paragraph.
- Paragraph 58, change reference to legal services to replacement vehicles.

The Board's transfer forms reflect the final, corrected Budgetary Transfer Requests. See **Exhibit 2** (Bates Label 11-68), Board Transfer Requests 1 to 59.

The attached Budgetary Transfer Requests result in no increase in the Department's 2026 fiscal year expenditures and are solely based on transfers of existing budgeted funds. The BOPC respectfully submits to the Board the attached Budgetary Transfer Requests.

The BOPC has determined that each of the Budgetary Transfer Requests is necessary in order to carry out the provisions of RSMo § 84.010 to 84.340. Furthermore, as the BOPC had no role in setting the current budget for the Police Department, the Budgetary Transfer Requests are the only way for the BOPC to make the necessary budgetary changes to properly discharge the statutory powers of the BOPC.

Finally, the Mayor indicated at the BOPC's April 29, 2026 meeting that E&A will not approve the transfer requests due to funds being deemed "encumbered" by the City. As a reminder, the City calculated and provided SLMPD a statutory allocation of \$200 Million Dollars pursuant to RSMo § 84.160 for FY26 (the "Allocation"). This Allocation necessarily includes the \$11 Million dollars in "encumbered" funds, which the Mayor represented as no longer available to the Board. As of the date of this correspondence, the Police Department's Budget and Finance Department have reviewed the "encumbered" accounts and confirmed that these accounts still contain the balances necessary for the requested transfers. SLMPD desires to fully utilize its Allocation before the end of the fiscal year for necessary expenses including legal expenses for the operation of an effective and efficient SLMPD disciplinary system, the purchase of a sound wall for the firing range, and the purchase of tasers for every police officer on the police force (currently the officers are required to share tasers). In the event these funds are "encumbered" and not available to the BOPC, then the BOPC's allocation for FY26 appears to be at least 11.3 million dollars below the required statutory Allocation.

If you require any additional information, please do not hesitate to contact me. The Budgetary Transfer Requests are critical to the operation of the Police Department and the BOPC respectfully requests the Board address the Budgetary Transfer Requests at your May 20, 2026 meeting. The undersigned is authorized to submit the Budgetary Transfer Requests
