CALL TO ORDER AND ROLL CALL

A quorum being present, President Laura Gilbert called the Regular Board Meeting to order on Thursday, May 14, 2026, at 3:09 p.m., and asked for a roll call. Five directors [Lackland, Hosner, McCreery, Seitz, and Gilbert] were present.

APPROVAL OF MINUTES

Chair Gilbert called for a motion to approve the Minutes of the April 9, 2026, Regular Board Meeting. Director McCreery moved to approve the Minutes, and Director Seitz seconded the motion. Following a roll call vote, the April 9, 2026 Minutes were approved with all five directors present [Lackland, Hosner, McCreery, Seitz, and Gilbert] voting Aye.

DISCUSSION OF THE CREATION OF A TORNADO RECOVERY LOAN 2.0 PROGRAM

Chair Laura Gilbert opened the discussion regarding the possible creation of a new tornado recovery program by referring to the summary sent to the directors prior to the meeting. She discussed possible loan provisions for the tornado relief program and some of the suggestions that had been made for the program. Stephanie Griese provided information from a CRA Association meeting she attended that day, and said feedback was positive from those wanting to support tornado recovery. Ms. Griese also disclosed that the Mayor's Office had announced a proposal to use a portion of the Rams' settlement money to support the overall structure of a tornado relief loan fund. In terms of other funding sources, there are banks on board to help raise money to support this effort.

Russell Halliday said he had conducted a survey to determine the need for the loans. He said loans in the \$50,000 to \$75,000 range were the most needed, and that there had been discussions that the loans should not exceed \$250,000. Chair Gilbert said the type of loan funding under consideration is a Participation Loan where a single large loan is funded by multiple financial institutions or investors, rather than a single lender. After answering questions from Darrell Scott, Chris Maguire, and the Directors, Chair Gilbert called for the next item on the agenda.

STATUS OF ACCOUNTS

Chris Maguire provided the financial report for the period ending April 30, 2026, and the status of accounts.

UPDATE ON SBA 504 LOAN PROGRAM AND OTHER LOAN ACTIVITY

Zachary Folk gave an update on the SBA 504 loans and activities for the month.

ADJOURNMENT

There being no further business to discuss, Chair Gilbert asked for a motion to adjourn. Director Seitz moved to adjourn, and the motion was seconded by Director McCreery. All were in favor. The meeting adjourned at 4:09 p.m.

Respectfully submitted,

Loura Gilbert, President

This Resolution asks the Board to increase the amount of the SBA 504 loan to \$377,000, due to construction cost overruns. BACKGROUND:

The building is leased to C & M Interiors for office and display space. The company was previously located in University City.

The SBA 504 loan will have a term of 25 years and an interest rate to be determined by the debenture sale. The loan will be secured by a second deed of trust on the property at 2855 Accomac Street (63104). The loan will be guaranteed by: (1) C & M Interiors LLC; (2) Channing Krichevsky; and (3) Maria Hofrefe.

The total cost of the project will be \$912,000. Additional financing for the project will be provided by the Bank of Springfield and the borrower. The project is expected to result in the creation of five new full-time equivalent jobs over the next two years.
